SIMATS

Saveetha Institute of Medical And Technical Sciences

(Declared as Deemed to be University under Section 3 of UGC Act 1956)

Name: S.Muskan
Reg No: 192472182
Slot: D

Course Code: ITA0330
Course Name: Mobile Computing

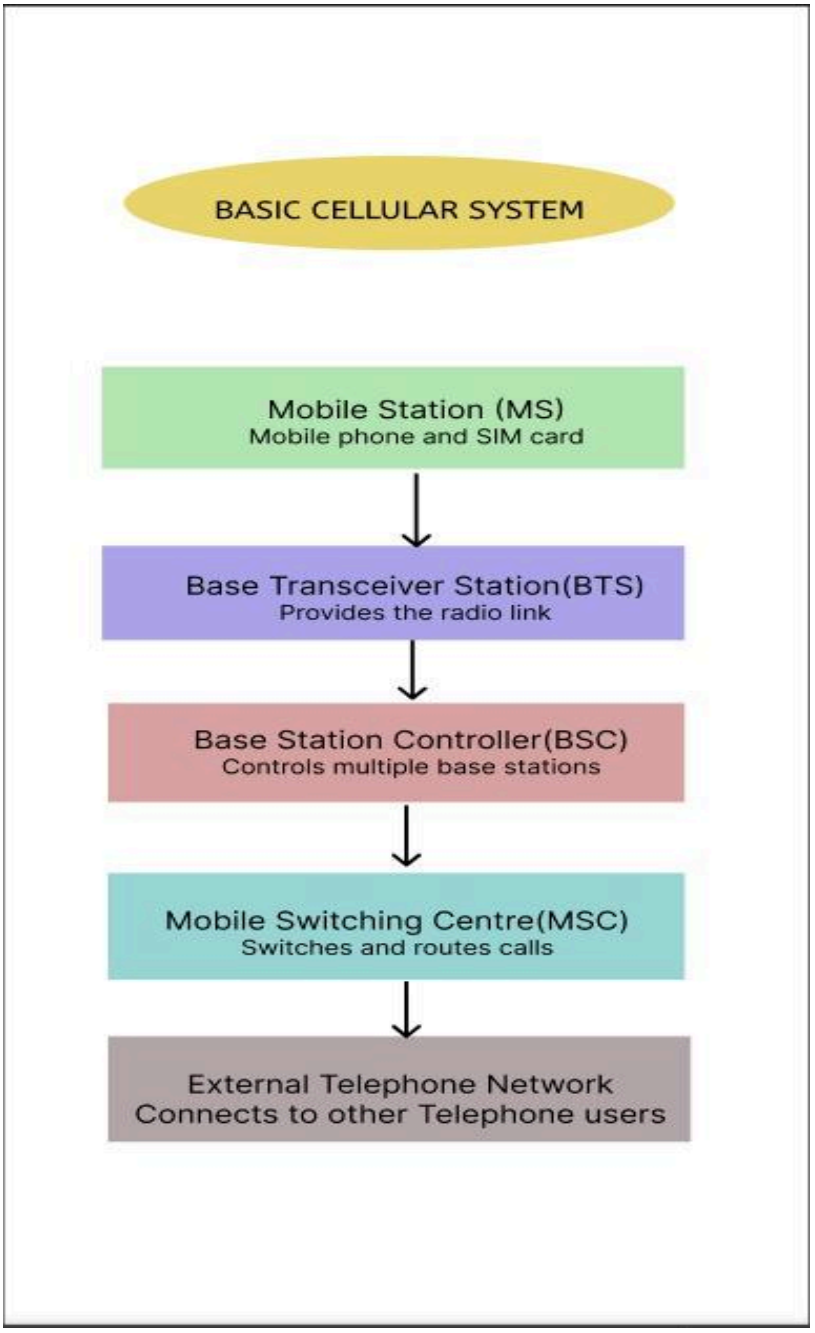

Experiment 1: Basic Cellular System Components

Aim: To create an interactive diagram illustrating the components of a basic cellular system using Figma.

Procedure:

1. Open Figma and create a new design file.
2. Create a frame suitable for the cellular-system diagram.
3. Add the main components: Mobile Station (MS), Base Transceiver Station (BTS), Base Station Controller (BSC), Mobile Switching Centre (MSC), and the external network.
4. Arrange the components in a clear flow and connect them with arrows.
5. Add labels or short annotations to explain each component.
6. Apply suitable colors, review the alignment, and save the design.

Output:

Result: An interactive diagram illustrating the components of a basic cellular system was created successfully
