Slot: D

Course Code: ITA0330
Course Name: Mobile Computing

Experiment 13: Mobile Communication vs Mobile Computing

Aim: To design an infographic in Figma comparing mobile communication and mobile computing.

Procedure:

1. Open Figma and create a new design frame.

2. Add the heading “Mobile Communication vs Mobile Computing”.

3. Create a section for Mobile Communication and list voice calls, SMS, wireless data transfer, and cellular networks.

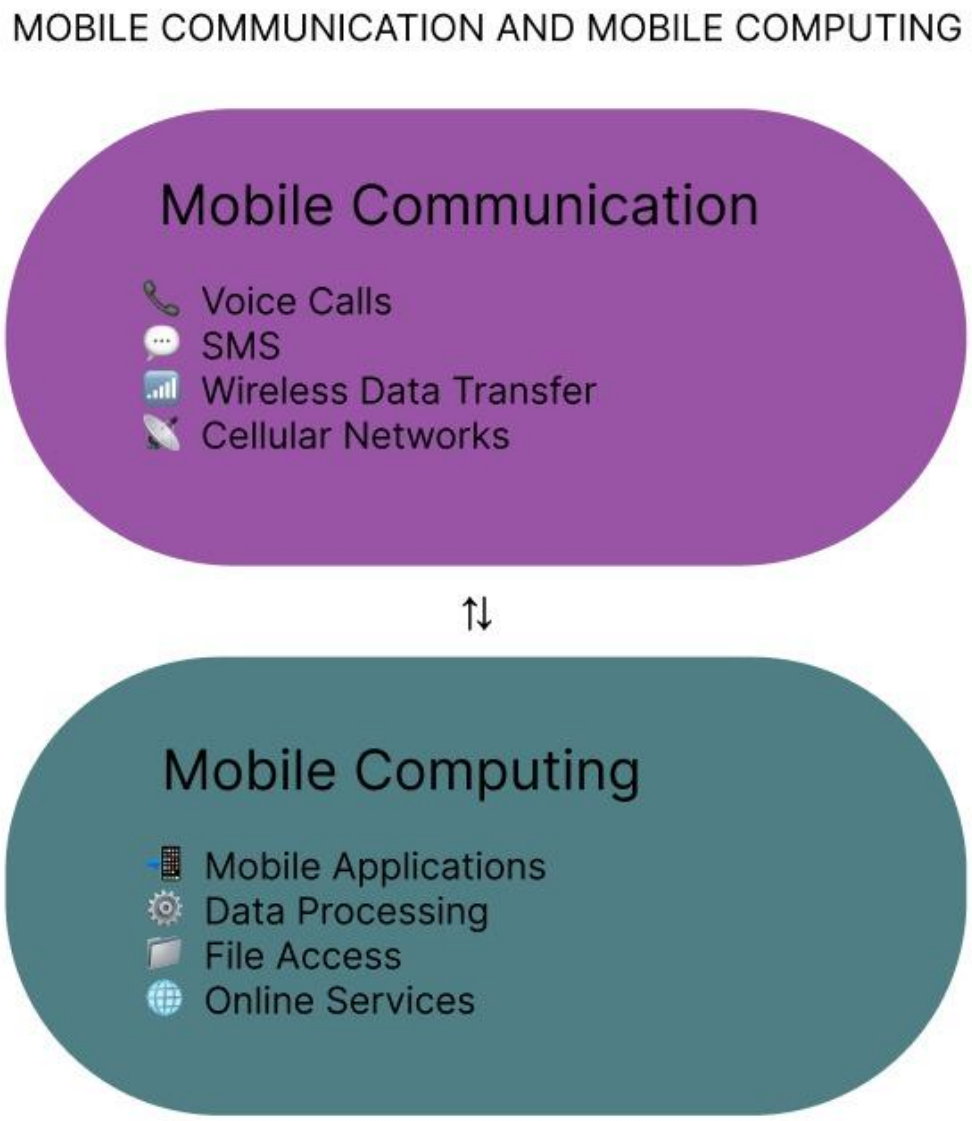

4. Create a section for Mobile Computing and list mobile applications, data processing, file access, and online services.

5. Use simple symbols and readable labels to distinguish the two concepts.

6. Review the infographic and save the design.

.

Output:

Result: An infographic comparing mobile communication and mobile computing was created successfully
